

Learning Objectives

Participants will learn:

1. The warning signs of emotional abuse, and how to stop it;
2. What to do when boundaries are challenged;
3. Victim issues that specifically impact the emotional/physical well-being of their children;
4. How substance abuse destroys healthy problem solving;
5. How to change from a passive, coping lifestyle to an assertive, constructive one;
6. How to identify and resolve suppressed anger;
7. How to restore self-esteem and self-worth.

Program Manager

Cary Pilet, ARNP, MSN

Cary specializes in family practice medicine. Over the past ten years she has dealt with the physical and emotional wounds of battered women that came to her for treatment. Her decade long experience in assisting victims has proven her methods work to jumpstart victims on their way to recovery. She is the coauthor of the award winning book "**Love, Lost and Found.**"

... In a Difficult World”**

Serving Tampa Since 1993

Approved provider of the
13th Judicial Circuit Court
Hillsborough County, Florida

Who would benefit from this program?

Anyone that has suffered the physical and emotional trauma of a violent batterer. Recovery requires the victim to actively participate in the healing process; time alone does not heal the damage of being violated.

What can I expect from this program?

Proven methods that give immediate assistance and direction for positive change. Hands-on assistance from your facilitator/coach.

What if my issues are unique?

Violence affects everyone differently. Our program is designed to allow your facilitator to become familiar with your circumstances and provide information tailored to your needs.

How many classes are there?

There are ten classes that last about 1 hour and 15 minutes.
